Devialet was born of a pledge: to keep pushing the boundaries of sound experiences. Fourteen years later, after delivering groundbreaking, iconoclast innovations in the field of acoustics, Devialet ventures into the world of audio-visual.

Devialet Dione, our first soundbar, materializes our latest developments in audio technology to breathe new energy into the way you watch any content.

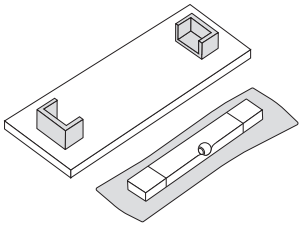
Grandiose, all-enveloping sound that complements all things visual and draws you deep into the action.

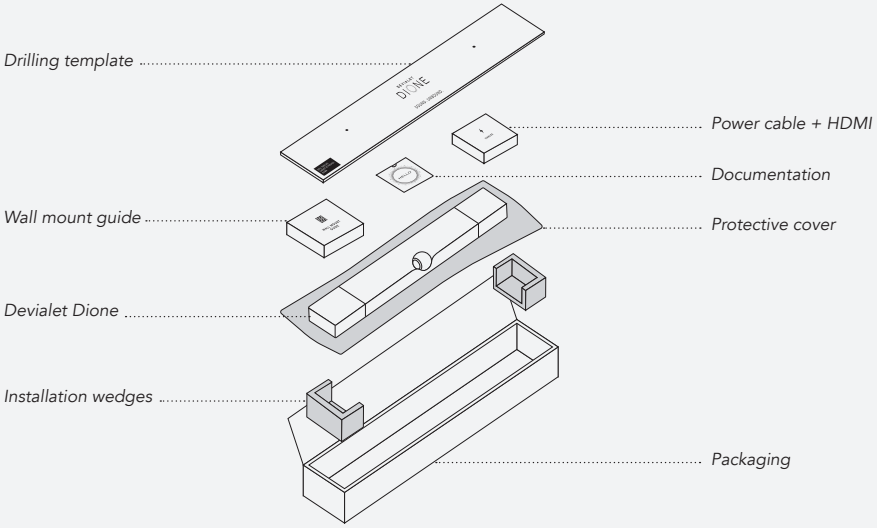
Watch your senses.

PREPARE DEVIALET DIONE

1

Remove the product from its packaging and place the installation wedges on a flat surface.

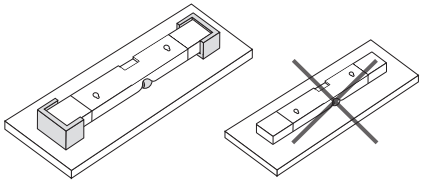




2

Place Devialet Dione upside down on the installation wedges.

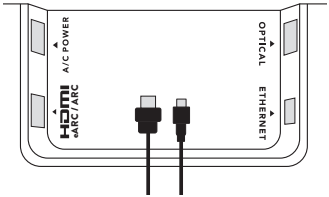
Do not turn Devialet Dione upside down without using the installation wedges to avoid contact between the center sphere and a hard surface.



3

Insert the power cable into the power port, then connect the appropriate audio cable to the soundbar.

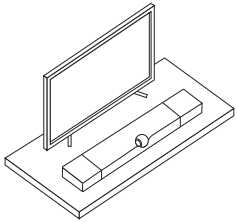
Use the HDMI cable if your TV has an HDMI port labeled eARC/ARC. If your TV does not have an HDMI eARC/ARC port, use the TOSLINK optical cable.



POSITIONING

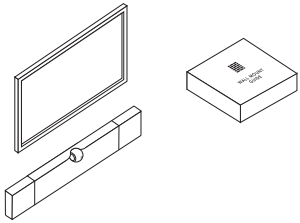
PLACE ON A SHELF

Place Devialet Dione on a stable and flat surface next to your TV. Make sure to leave some space between the wall and Devialet Dione, avoid placing any objects on top of the soundbar, and leave the sides unobstructed.



MOUNT ON A WALL

To fix Devialet Dione on a wall, carefully read the wall-mount guide inside the cardboard box marked «Wall-mount guide».

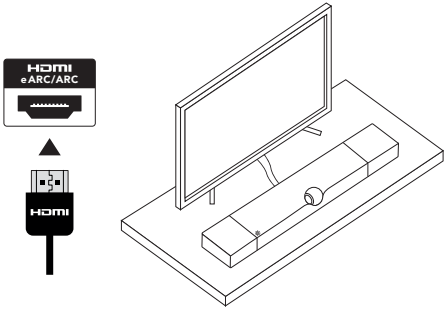


START DEVIALET DIONE

1

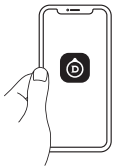
Connect the audio cable to the TV, make sure to plug the HDMI cable into the HDMI eARC/ARC port on your TV, or use an Optical cable.

Then, plug Devialet Dione into a power outlet and wait until the indicator light stops flashing.



2

Download and launch the DEVIALET APP and follow the steps indicated on the screen to complete set-up.



Download on the App Store

GET IT ON Google Play

3

Before you start listening, check your TV's audio setting and make sure to set the audio output to HDMI eARC/ARC or to Optical depending on which audio cable you are using to connect Devialet Dione to the TV.

Enjoy Devialet Dione!
