

FACTOR-800

8" Flangeless In-Ceiling Speaker

The FACTOR 800 Flangeless 8" In-Ceiling Speaker is a testament to our passion, delivering remarkable sound quality. One of its standout features is the specially engineered baffle with a concave dimple pattern, designed to enhance the accuracy of high frequencies. This innovative design ensures that every note is clear and precise, providing an unparalleled audio experience.

Our team is excited about music and still gets a thrill when we listen to our favorite music perfected on one of our newest creations. Of course, each of our speakers is backed by our **LIFETIME WARRANTY**.
