

Q 3060S

A slimline active subwoofer with a 200mm driver incorporating a powerful 150W amplifier. It is wall-mountable with an optional, dedicated wall bracket or can be floor-mounted using rubber feet or the spikes provided.

- All of the controls and connections are hidden behind a magnetic hatch with a down-facing opening for discrete cable runs.
- The Q 3060S is one of the slimmest subwoofers available but can still deliver every nuance of an acoustic double bass or rumble of a cinematic explosion.
