

MINX X201

200W Subwoofer

Compact Sub. Full Bodied Sound

Minx X201 delivers an enhanced bass response with plenty of detail and control – thanks to a single powered driver and twin passive cones.

Although compact, X201 packs a mighty 200W punch from its active amplifier. With gain, phase and crossover control for fine-tuning and integration into a complete Minx system.

Beautifully finished in either gloss black or white, X201 is ideal for smaller spaces.

Highlights

- **Powerful 200W Output** – contained in a compact body
- **Twin Auxiliary Bass Drivers** – for richer sound
- **Fully Adjustable Sound** – tune the speaker to suit your setup
- **Auto Off & On** – for convenience & efficiency
- **High Gloss Enclosure** – looks good & resists knocks
- **Available in Black or White** – choose the colour that suits you
