

SHANGRI-LA Headphone Stand

Owner's Guide

Message from the Founder

Thank you for your purchase of a HIFIMAN product. We take great pride in offering audio products that provide best-in-class performance and value.

Though it seems like only yesterday when I started HIFIMAN as a passionate audiophile, we just finished our first decade in business and eagerly look forward to an exciting future. The company has grown rapidly and the HIFIMAN brand has become one of the most respected in the industry.

Even with our success, the one thing that has not changed is my passion for music and creating products that help recreate that live experience. Now, I am joined by many others in the company who share my passion and in turn, we humbly share that with you.

Thank you again for your purchase. I hope you will find this guide useful in learning about your product which will help you enjoy countless hours of listening pleasure.

Happy listening,

Fang

Founder and CEO

The curvature is perfectly matched to the headphone's design, with sleek, attractive lines.

The top cover is made of high-quality black velvet fabric that protects the headphone from scratches.

Constructed of aluminum alloy, chosen for its rugged strength and resistance to corrosion. Aesthetically pleasing, perfectly balanced for years of use.

The bottom soft rubber foot pad design prevents the stand from slipping or falling off the surface.
